

Remarks

With the Amendment, Applicant has canceled claims 1-80, and added new claims 81-95. These new claims were previously filed in U.S. patent application, U.S.S.N. 10/695,582. The claims were subsequently rejected by the Examiner and later canceled from the case. Applicant submits that no new matter is added by this Amendment.

Applicant would like to thank the Examiner in advance for review of this request. Although it is believed that there is no fee associated with this Amendment, if Applicant is mistaken, please charge any fees to our Deposit Account Number 03-1721.

Respectfully submitted,

C. Hunter Baker, M.D., Ph.D.
